

2018-2019 HAMILTON WEST BANDS VARSITY JACKET ORDER FORM

(Jackets can not be altered once order is submitted)

JACKET SIZE MEASUREMENT INSTRUCTIONS

IMPORTANT: Follow the directions below for your chest measurement, and use to calculate your jacket size.

Measure the largest part of your chest (around the back, across the shoulder blades and under the arms). If your waist measurement is larger than your chest, use your waist measurement to order.

PLEASE NOTE: if you intend to wear a sweater or sweatshirt under your jacket, **add two inches** to your chest size and then use that to determine your jacket size.
